Dear Parents, Guardians, Teachers & Students;

What can I say about the recently held "Halloween Spooktacular"? Sadly at the last minute I had to miss it due to medical reasons but I have heard nothing but good things about the whole event. Colorful and imaginative costumes, great music, a crowd larger than we could have ever predicted and a great time was had by all. Our profit is currently showing almost \$27,000.00 and that only came about thanks to the effort and help of so many people. There were parents, and teachers who jumped in and helped in every area in order that the huge crowd was fed and attended to in a timely manner. It was a perfect example of team effort and my heartfelt thanks go to so many.

People who parked the larger than usual amount of cars.

The great group of decorators who came Friday evening to "Spook" up the place.
The parents & teachers who did a bit of everything.

Ladies at the gate.

Ladies who pre sold tickets.

Teachers & parents who cooked and served. No one went hungry yet again!!!

Parents who donated desserts (a lovely variety), pet bottles and/or cash.

The Sunday morning clean up crew.

Mr. Nurse and his team who help in so many ways.

My entire committee to whom I had to rely on at the last minute to do their usual jobs plus a bit more.

To everyone, what a great school family we have in which so many do so much for the betterment of all of us. It was a night to remember and as in all of our events, my committee have already submitted their thoughts both good and bad in order that we can continue to improve on those areas that still need a little "touching up".

Sincerely

Susan Corbin
